Hospitals in area

Another potential partner for schools and tutor/mentor programs is area hospitals. They face a cost of poverty crisis that is equal to the education crisis.

The only hospital in this area is:

Michael Reese Hospital  2929 S. Ellis Ave

The dark blue shade on the map represents areas with 40% poverty or higher. The lighter blue is 20% poverty concentration or higher.
Getting each potential partner to work toward the goals shown below is the mission of the T/MC and any community leader in this area:

- Keeping kids in school
- Reducing truancy; improving grades
- Keeping kids safe and involved in positive learning during non school hours.
- Building workforce skills
- Preparing youth for adult roles, jobs and responsibilities
- Building an adult support system available to each youth
