While we operate a single tutor/mentor program in one neighborhood...

We created the Tutor/Mentor Connection (T/MC) in 1993 to help programs like Cabrini Connections grow in every poverty neighborhood of the city and suburbs of Chicago.

This means we help them get visibility, volunteers and operating dollars, not just training and technical assistance.

Using the Internet, the T/MC is now connected to organizations throughout the world, and is helping tutor/mentor programs, and citywide networks grow in Chicago and other cities.
Leaders, volunteers and donors are needed from every sector: business, professions, civic, education, religion and social sectors.

Business must take the lead in PULLING youth to careers
Role of CCT and other leaders.

This city needs leaders in every sector who take this role, not one or two high profile people.

Use leadership, web site and communications to connect members of your network to T/M programs in all parts of Chicago on a consistent, on-going basis, using Internet directories such as [www.tutormentorconnection.org](http://www.tutormentorconnection.org) as resource for finding programs.
Be an active network builder

The World’s Largest Ping Pong ball table.

Every action of the T/MC or a member of a T/MC Learning Network Member, causes a chain reaction that moves every other ball.
Each year the T/MC helps programs recruit volunteers in Aug/Sept. and helps programs train those volunteers and convert them into leaders as each program moves through the School year. As each program ends the year it has more people helping it build capacity and quality for the following year.

By repeating this call to involvement each year for the past 14 years, we create greater public awareness of tutoring/mentoring, and greater traffic to web sites of the Tutor/Mentor Learning Network.

YOU and your volunteers and your students can be the RED ball in this picture.
